

GENEVA TAX REFORM

IN A NUTSHELL

Say YES to a more balanced tax system
preserving local employment

Protect employment in Geneva, reinforce services to the population

Companies affected by the tax reform generate 23% of the Canton's fiscal revenue. Under the reform, the tax level will enable the preservation of over 60,000 jobs, representing 1 in 4 jobs in Geneva.

Childcare: New places for our children

Hundreds of childcare places will be financed in Geneva's communes under the tax reform.

Health insurance subsidies – Ease the burden for the middle class

125,000 people to benefit compared to 53,000 today, helping the middle class.
